

SUCCESS STORY OF SRI NETRAPAL

-A story of turning a dream to reality

Sri Netrapal belongs to Agra. He started working as daily wage worker at a saloon. With time, he himself learnt barber skills and managed to open a small saloon of his own.

Being a hard worker and a having good business acumen, he wanted to expand and renovate his saloon shop. But fund crunch was acting as a barrier for his business expansion. He came in contact with one of the loan officers of SAVE who informed him about SAVE Financial Services **Unnati** Loan product which could avail him a loan of ₹3lacs - ₹5lacs as a working capital for his business expansion that could easily be repaid back in a tenure of 2-4 years.

He found the loan product very suitable as per his business requirements. He took a loan of ₹4 lacs for a tenure of 120 weeks. He collected the earnings he made, along the week and paid his loan installment weekly without defaulting a single installment. This helped him in making full use of available credit for the purpose of his business expansion.

Besides his income, his self confidence also increased as now he was able to give a better quality of life to his family.
